

My name is Tyler Schutz and this is my position essay to run for Senior Class President. It has been approved by Mr. Couch already.

Hello, my name is Tyler Schutz and I am running for Senior Class President. As a fourth generation Mentor High School student I have a lot of pride in my school and in my community. For this reason I hope to bring more school spirit to Mentor High School if I was elected. Ways I would hope to accomplish this would be a student spirit bus that would travel to important sporting events, a different set up to pep assemblies so there can be more student involvement, and a spirit week where the different grades engage in a competition to see what class has the most school spirit. I also believe that high school is a time in our lives where we should be having a lot of fun. That's why I would like to organize more activities to do just that. I want to bring back the Powder Puff Football Game, and also the student vs. faculty games we used to have in junior high. I also have an idea of a year long event called Clash of the Clubs. This would be an activity where various Mentor High School clubs would square off each month and compete against each other in different events. I am a firm believer that the class of 2008 has the potential to be one of the greatest graduating classes that Mentor High School has ever had. Elect me Senior Class President and I promise to help our class reach that potential for greatness. Together we can make 2008 a year to remember.
