## Welcome to Mentor High School Ski/Board Club

To prospective members of Mentor High Ski/Board Club:

Ski/Board season is getting closer. Are you joining your friends who are going skiing with Mentor High Ski/Board Club this year? Students in 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grades are welcome to join.

This year we are skiing on Wednesday evenings. Upon arrival at Brandywine, we will be met by our Ski/Board School Instructors and then proceed to the equipment rental area to select our equipment and check in. Those with Ski/Boards will go right to the Ski/Board area. All participants must take 5 lessons.

All Ski/Board club members are individually responsible for keeping track of the time. All members should be back in the rental shop early so that they can be on the bus at the time we are supposed to leave for Mentor High. Anyone who causes any delay could be suspended from the next bus ride, or from further bus rides, without a refund of any money.

All students who ride the bus from Mentor High to Brandywine must also return to Mentor High on the same bus. Students are assigned to a particular bus and must ride only that bus. Please do not ask to switch busses.

There are no guests or occasional riders allowed on the busses. All persons who ride the bus must be a member of Mentor High Ski/Board Club, and as a member, will still be governed by school and club rules.

We must leave the bus as clean as we found it. No drinks or food will be permitted on the bus, either going or returning, *this is a strict law*. Your membership fee does not include a charge for cleaning the bus, and any such charge would have to be collected after the Ski/Board season is over from the people who rode the littered bus.

Upon entering the bus at both Brandywine and Mentor, politely and clearly give your name to the bus chaperon.

The Ski/Board passes issued by Brandywine cannot be used by anyone but the person whose name appears on the ticket. If you get caught lending or borrowing a pass, the pass is confiscated, and no money refunded. If you should misplace your pass, go to the ticket office and request a new one for a five-dollar replacement fee (This can only happen once in the five weeks).

All students are reminded that Mentor High Ski/Board Club is a school function, under school sponsorship, and all school rules are in effect and strictly enforced. Persons caught smoking, drinking, etc., are suspended from both school and Ski/Board club. Any person creating any problem or source of embarrassment for Mentor, the Ski/Board club, any chaperon, or bus driver shall be dealt with severely.

Mentor High Ski/Board Club is to be fun for everyone and hassle for no one.

## THE BOSTON MILLS & BRANDYWINE SKI/BOARD SCHOOL PROGRAM

### WHAT IS THE PROGRAM?

Brandywine offers a season long Ski/Board package which includes the use of lifts, lessons, and optional rental equipment. The sessions are ~~two~~ hours long with a one-hour group lesson each trip at any level of proficiency. In addition, each member of the Mentor High Ski/Board Club will receive a pass card which entitles them to four \$10 Value Passes. See post-card for more info!

### WHAT ARE THE BENEFITS?

The Ski/Board school program offers students the opportunity to learn a healthy exciting outdoor sport that can be enjoyed for the rest of their lives. Safety, sportsmanship and proper conduct on the slopes are stressed, as well as having a good time.

### WHAT IS THE COST?

The cost of the school program for the entire season is only \$199.00 for skiers/boarders furnishing their own equipment and \$259.00 for skiers/boarders requiring rental equipment. Helmets are becoming more popular with many snow sport enthusiasts.

No refund will be given to any student removed from the club due to disciplinary reasons invoked by the school advisor, Brandywine Ski/Board Patrol or Brandywine management. Absolutely no refunds on this heavily discounted program.

### WHAT KIND OF IDENTIFICATION WILL WE RECEIVE?

All students are given a permanent ticket for the season ~~which will be a card this year~~ with the student's name, school, and shoe size. The tickets will have sticker that are color-coded to you ability level and the lessons taken (lessons are required). All tickets are the responsibility of the ticket holder and lost tickets can be replaced at a cost of \$10.00 during the first five sessions only (once).

Tickets are valid only for the day and time period the school has contracted for and tickets are restricted to the person whose name they bear. Due to Ski/Board Patrol safety requirements, tickets cannot be lent to friends. Violation of this rule will result in removal of the ticket and loss of Ski/Board privileges for the season for the club member.

### HOW DOES THE LESSON PROGRAM WORK?

Students are given a weekly opportunity to improve their ability and to earn a sticker attesting to their proficiency level. The sticker is color coded with the relative difficulty of each slope at Brandywine, which is similarly color-coded. All students must have a lesson sticker and students will not be permitted to Ski/Board on slopes with difficulty rated higher than their proficiency level as indicated by their sticker, unless in a lesson group accompanied by an instructor. In this manner the students are matched to the skiing terrain they should be able to Ski/Board safely at Brandywine.

# FORM B EXTRA CURRICULAR ACADEMIES ACADEMIC POLICY MENTOR PUBLIC SCHOOLS

The Board recognizes the value of a program of extracurricular activities for students in grades 9-12 as a integral part of the total school experience for the students of the district and for the community. However, student participation in extracurricular activities is a privilege and not a right.

For the purpose of this policy, "Extracurricular Activities" refers to a pupil activity/program that a school or the district sponsors, and is under the supervision of a coach/advisor/and/or director. "Extracurricular activities" do not include activities in the district's graded course of study.

As a condition for the privilege of participating in extracurricular activities, a student must have attained a minimum grade point average of 2.0 and received no more than one failing grade for any course in the district's graded course of study in the previous grade period. This standard will be effective with grades earned during the second grade period.

If a student who becomes ineligible under these standards improves his/her grade point average enough during the current grading period to meet the eligibility standard, she/he may be reinstated at the beginning of the next grading period.

In addition, students participating in any program regulated by the Ohio High School Athletic Association (OHSAA) must also comply with any eligibility regulations and bylaws established by the Association.

If a student's Individualized Education Plan (IEP) indicates that an exemption from this policy would be appropriate, such eligibility requirements shall be adjusted accordingly for the student. However, the OHSAA mandates may not be exempted by an IEP.
