2007-08 Mentor High School Final Exams

The 2007-08 school year will end on **June 6, 2008**. Our seniors' school year ends earlier than our juniors' and sophomores'; therefore, we have two exam schedules.

Senior students will take final exams during their regular class time on **June 2-3**. *It is very important to understand that all seniors are to follow their regular class schedule both days. Classes not scheduled for an exam will have a regular class activity.*

Junior and sophomore students will use an open exam schedule. They are not required to be in school unless taking an exam and they should report directly to their regular classroom at the scheduled time. The schedule includes three 1 1/2 hour sessions beginning at 7:30 am on **June 4-5, 2008** and two 1 1/2 hour sessions beginning at 7:30 am on **June 6, 2008**. Junior and sophomore make up exams will begin at 11:20 am and 12:56 pm on **June 6, 2008**.

PLEASE CAREFULLY REVIEW THE EXAM SCHEDULE WITH YOUR STUDENT.

Senior Absences and Make Up Exams—Seniors will report their absences as usual on June 2-3.

Junior and Sophomore Absences, Tardies, and Make-Up Exams—Juniors and sophomores are expected to attend exams as scheduled and must remain in their class throughout the entire 1 1/2 hour session. If a student arrives more than 15 minutes late to a scheduled exam, he/she will not be admitted into the building.

If a student is ill, please call the Mentor High School Attendance Center at **440.974.5386** or **440.974.5387**.

Make up exams must be scheduled with each individual teacher.

If you do not want your student to leave school during non-testing times, please inform the MHS Main Office (440.974.5300) no later than June 2, 2008.

Bus Schedule—The bus schedule for Mentor High School will remain unchanged during the final exam schedule. During open exams, students may wait for the school bus while studying in the student center. **It is important to remember that all school rules will remain in effect.**

All other Mentor schools are in session on open exam days and Mentor High School students are not permitted to visit other schools during non-testing times.

Driving/Parking—Any student, regardless of whether he/she has a parking permit, will be allowed to park in our student parking lot on June 4-6 provided he/she has a valid Ohio driver's license. **At times, we will have traffic entering and exiting Mentor High School at the same time - PLEASE DRIVE WITH CAUTION.**
